

LOCAL DOG WINS CONTEST – Penny Theuerkauf, owned by Lauren (Kramer) and Matt Theuerkauf, recently won the title of Most Photogenic Dog of 2014 in a photo contest sponsored by Second Chance Animal Rescue-IL. "We are so proud of Penny for showing the world that different is beautiful," said owner Lauren. Penny is a dog unlike any other. She was born with a deformed front paw and a severe overbite. While she may be a tripod dog, she does not let anything stop her from living her best life. Penny is even able to leap over the Theuerkauf's three foot pet gate. "She is such an inspiration, and she touches the hearts of everyone that she meets," stated Theuerkauf.
